CLIENT TESTIMONIALS

“Bradley is engaging, passionate, insightful and a humorous speaker. He has great and personal insight into business and wealth of anecdotes having interviewed many of our top businesses leaders” – Phil Hall Chairman PHA Media and Former Editor News of The World

“I recommend Bradley. Motivation plays an important part in any business owner’s career and if you are struggling to find yours call Bradley and he will fill you with energy that you can turn into bolts of lightning to positively impact your business” - Charlie Mullins MD Pimlico Plumbers (Prince’s Trust Enterprise Fellow)

“It was an early start and we did not expect Bradley to light the room up like a stick of dynamite. This man really does motivate you. There were about 300 delegates in the room and Bradley had everyone standing and dancing before they left. I felt that I could fly when I left the seminar. The speaker that came on second had a difficult time following Bradley’s GOLDEN KITTY speech. Well done Bradley you have made me realise that we all really can do more if we want to” Kent 2020 Show – Awesome

“Bradley came on just after Rachel Elnaugh, who you may know from series one of The Dragons Den. He came to the podium and almost instantly got over 250 people to their feet and asked them to start talking to the people sitting next them, behind them and in front of them and gave them one minute to do it. I have never been pushed so far out of my comfort zone yet so exhilarated at the same time. This guy has obviously been through some challenges in his lifetime and is quite comfortable talking about both his successes and his failures. A completely down to earth passionate guy who gets my vote any day of the week. I have followed him since with interest and also saw him speak at a business trade show called “Business Startup” The room held 70 people and there must have been over 150 people trying to get in to see him. Another awesome speech about how to value one penny”. God luck Bradley I know you’ll get there” - British Library Inspiring Entrepreneurs

“It was a genuine pleasure to work with Brad, his passion infectious enthusiasm and from the heart testimonies were a genuine inspiration and I can honestly say on a personal level that working with Brad and learning from Brad has made me a better person and helped all of the team to perform much better and over achieve on target” – Ainsley Duncombe Director Property Finder Group
